Sunday morning volunteers are necessary for the

smooth functioning of worship on Sundays. We are in great need of our Sunday morning volunteer roles, especially for the 8:00 AM service, including ushers, greeters, assisting ministers, and flower delivery. If you have served in any of these roles in the past, thank you. We hope that you will continue your volunteer roles. However, we need *new* volunteers as well to help our veteran volunteers. Please contact the church office if you are willing to serve in one or more of these capacities or to find out more information about what the roles entail. Remember that we can't do this without you!

If you have greeting cards you can donate to St. Paul's Card Ministry, please place them in the basket provided on the table outside the pastor's sacristy. We are now serving 20 members unable to be at worship with us at this time. If you know of a member of the congregation who would benefit from receiving a monthly card (on a temporary or long-term basis), please be in touch with Kathleen Breuer (215-887-1388) or breuer613@gmail.com. Your help with this ministry is greatly appreciated.

The Prayer Ministry Team meets monthly to pray for people and situations. Prayer requests are kept confidential. Please be in touch with Marlen Livezey to make a request or to update the status of a person for whom you have requested prayers.

We're excited to invite members of our congregation to take on a leadership role in our upcoming Small Group Emphasis! We're looking for volunteers to head up groups that can run for just 3 to 4 weeks—perfect for trying out new ideas without a long-term commitment. Consider leading a book club, a cooking workshop, or a community service project, or even starting a fitness group. Your unique interests and passions can help foster connections within our church family. If you're interested in leading a group, see Pastor Sonntag.

If you have someone on the prayer list whose prayers have been answered, please let the office know.

ELCA World Hunger

World Food Day, October 16
Through congregations in the U.S., Lutheran churches around the world, and other partners, ELCA World Hunger is uniquely positioned to reach communities

in need and to creatively and courageously work toward a just world where all are fed. Since its inception, generous people have contributed more than \$650 million to support ELCA World Hunger and have advocated to change policies and systems that perpetuate injustice.

As members of the Evangelical Lutheran Church in America we are called to share in God's work in the world. Providing food meets basic, immediate needs; but hunger is about more than food. ELCA's World Hunger Appeal also gets at the root causes of hunger and poverty by connecting people with the resources they need to produce food and to gain access to clean water, education, health care, and sources of income. By doing this, long-term, sustainable, transformative change can be accomplished. Please consider making a gift to ELCA World Hunger by:

- Donating online : <https://www.ELCA.org/hunger/donate>
- Mailing a donation : Check payable to Evangelical Lutheran Church in America, P.O. Box 1809, Merrifield, VA 22116-8009
- Giving by phone : 800-638-3522, Mon – Fri, 8 AM to 5 PM, CT
- Giving through this congregation : With a check payable to St. Paul's (note "ELCA World Hunger" on memo line) or through the website's "Misc. Restricted" donate link.

You are also invited to join ELCA World Hunger in commemorating World Food Day on October 16. This day is set aside annually for international recognition of the founding of the United Nations Food and Agriculture Organization on October 16, 1945. It is celebrated by all organizations concerned with raising awareness and taking action toward food security for all. ELCA World Hunger testifies to our hope for and commitment to God's promise of a time when we'll hunger and thirst no more. Let's boldly and faithfully pursue that promise of a just world where all are fed.
