RECYCLE YOUR HOLIDAY LIGHTS

Do you have a pile of old holiday lights that are beyond hope? Recycle them! **A Better Way Recycling** can turn them into roofing and construction materials, piping, car batteries, other electronics, lead wheel weights, flatware, jewelry and more. Here's what to do: take your (unbagged) lights to Mom's Organic Market (925 Easton Rd., Abington PA 19001, 267-341-1550) and put them in the marked bin near the front entrance. You can also contact Janet Bischoff, and she will deliver your lights to Mom's. Call her at 215-543-0494 to make arrangements.

Mom's is accepting old holiday lights from now until **January 31**. Nationally, Mom's customers diverted 17 tons of holiday lights from the landfill last year! This is a good way of caring for creation, and we're grateful for the opportunity to join in.

"SHARE AND CARE" COLLECTION

The personal care items we use every day can be hard to come by for many.

The Good Works Team will be gathering a collection of **full-size** toiletry items (e.g., deodorant, shampoo, conditioner, combs, toothbrushes, toothpaste, mouthwash, body lotion, hand lotion, etc.), as well as **new** women's and children's underwear and socks, in January and February. These items will be distributed to the community served by Lutheran Settlement House. Receptacles for this collection can be found in the Great Room.

The congregation's generosity in helping to provide these necessities is much appreciated! Our thanks to everyone for "Sharing & Caring!"

--Good Works Team

PRAYER MINISTRY

The Prayer Ministry Team meets monthly to pray for people and situations. Prayer requests are kept confidential. Please be in touch with Marlen Livezey to make a request or to update the status of a person for whom you have requested prayers.

Kate Strachan, who is the daughter of St. Paul's

members Doug and Linda, has kindly agreed to give St. Paul's a private tour of her art exhibit.

Here is a brief description of what to expect:

"Invisible Sight: Fraktur Series" delves into the intricate layers of storytelling and human experience, drawing inspiration from Pennsylvania Dutch Fraktur manuscripts. These works reimagine historical forms through contemporary materials like clay and encaustic wax, embodying the fragility and resilience of life. Rooted in themes of impermanence and transformation, this series invites viewers to uncover unseen connections that shape our lives."

When? Friday, February 21, 11 am

If participants desire to have lunch together afterwards we would love to organize that as well.

Please use the sign up sheet in the Great Room to indicate your participation. Thank you.

Requests for use of our food pantry are picking up and our pantry is looking bare. We are in need of canned items, boxed, bagged and shelf stable items. These items include things like pasta, rice, cereals, boxed potatoes, oatmeal/grits, pancake mix, etc. Canned veggies, soups, meals, etc. ...

Condiments are also needed, like ketchup, mustard, etc. ... Hygiene and household items are also requested (for example: laundry products, body washes, paper products (toilet paper, paper towels ...) deodorants, toothpastes, etc. ... All donations are appreciated not only by members of St. Paul's but also members of our local community.

Thanks to all who helped with the compilation and editing of the 2025 Annual Report.

The timely submission of reports from staff, council, committee members, circles, ministries, and groups were much appreciated. Special thanks to Laurie Pellicore, Nancy Stevens, and Michael Harrington. It's always a challenge to get this complex document ready in time for the deadline two weeks prior to the congregational meeting. The annual congregational meeting will be held on February 2, right after the late service (around 11:45 AM).

If you have someone on the prayer list whose prayers have been answered, please let the office know.
