

GREETER

Greeters are the first point of contact for guests entering the church.

Please greet with a smile and introduce yourself if necessary. Hand each guest a church bulletin.

Please provide directions to the sacristy, bathrooms and hospitality, if needed.

For baptisms:

- Before the service, please rope off the front and 2 to 3 additional pews in front of the baptismal font for family and friends of the person getting baptized.
- Please direct the family and friends to those pews once they arrive.
